

TRUCKLOAD

The best transportation option. ZAAR Consultants (Zaar) provides the scale, the technology, and the network for truckload service that you can depend on.

TRUCKLOAD SERVICES

ZAAR has the experience and knowledge to provide the best service options from our vast carrier providers. Our team knows when to come up with the best Truckload provider match to your needs.

Customized tracking in real-time

ZAAR's TMS, gives you the ability to quote, ship, and track your truckload product. Customized tracking is available for in-cab satellite tracking as well as tracking of the driver's cell phone. **This real-time tracking provides true visibility of your products.**

Savings through mode optimizations

Zaar understands the nuances of Intermodal and has the resources and experience to identify and execute modal conversions throughout the journey. Our dedicated support team will ensure that you have the right equipment at competitive rates.

ZAAR is the only source you need for logistics.

Choose from value-priced, over-the-road solutions:

Dry van

Intermodal & Drayage

Flatbed

Refrigerated

Expedite & Hot Shot

Risk Management

NATIONWIDE SERVICES. LOCAL SUPPORT.

When your logistics partner holds a successful track record in both operational and freight management, you are free to focus on what matters most: serving your customers. ZAAR is that partner.

As a single-source service provider, with offices nationwide, you can rely on ZAAR to support your truckload freight and other transportation processes we are ready to carry the load for you.
